INTRODUCTION

The Georgia Department of Education requires the Division of Public Library Services to report annually on the services provided by public libraries and to account for the financial support from local, state and federal sources.

This report deals with pertinent services and finances administered by library systems and organizations. Detailed reports of the services and costs are on file with the division.

Also included is a brief summary of services and activities at the state level which augment the library systems, the administration of library development, extension services and federal programs.
